MEMORANDUM

TO: Teachers, Research Advisors, RSEF Directors

FROM: Saioa de Urquiza
Program Coordinator

RE: 2005 JASON Nominations

One of the highlights at the State Science and Engineering Fair (SSEF) of Florida is the Junior and Senior Outstanding Narratives (JASON) Colloquium. This event provides an opportunity to introduce talented young people who have brought honor to the State of Florida. Each of the JASON presenters addresses the assembly at the Opening Ceremony Wednesday evening for approximately three minutes on a topic of his or her choice.

At this time we are calling for nomination letters from teachers, research advisors, and RSEF Directors. Once you decide which student you want to nominate, have them complete the enclosed application form. Return both the nomination letter and application form to the Florida Foundation for Future Scientists office by March 11th, 2005. Selected JASON speakers will be notified by March 23rd, 2005.

Thank you for your assistance.
